Appendix 7
First Geographical Areas (FGA) for New Intake and In-Year Admissions for 2013-14 for the following secondary schools:

- Broadoak Mathematics and Computing College
- Clevedon
- Nailsea
- St Katherine’s

A FGA is an area of priority for a school. Living in this area does not guarantee a child a place at the school but they may receive priority over children who live outside the FGA. Please the over-subscription criteria included within the school’s admission arrangements.

If you are not sure what School’s Area a particular address is in, please contact the North Somerset School Admissions and Transport Team.

NB Clevedon School and Broadoak Mathematics and Computing College are in the process of converting to academy status. Their FGA will apply regardless of whether they become an academy or not.
